

# Setting up *Applied Geochemistry* Access for Members of the International Association of GeoChemistry (IAGC)

To activate access and to create your personal account on ScienceDirect, you will need to use your IAGC Membership Number. **If you had access in 2017, no action is required – continue to use your login credentials from last year.** For new subscribers for 2018, continue to Step 1 below.

**STEP 1:** Start by entering your membership number in the Registration Box at the following URL:  
<https://www.sciencedirect.com/ag/activate/members>

*Note: "https://" MUST be entered for this URL – "http://" will not work.*

If you don't know your IAGC Membership Number, please visit the URL below and enter your email address on file with the IAGC: [http://www.iagc-society.org/queries/IAGC/update\\_information.html](http://www.iagc-society.org/queries/IAGC/update_information.html)

*If you have any problems with your contact information or Membership number with the IAGC, please contact Chris Gardner at: [iageochemistry@gmail.com](mailto:iageochemistry@gmail.com)*

After entering your IAGC Membership Number, click on "continue". If you already have an existing ScienceDirect account from another journal, continue to Step 2A below. If you do not have an existing ScienceDirect account, proceed to Step 2B.

**STEP 2A - Existing ScienceDirect Users:** The next step will allow you to associate an existing ScienceDirect user profile with this *Applied Geochemistry* subscription.

**Please Note** – If you have associated your existing ScienceDirect User-Profile to this Society Access, you **must** type into your Internet Browser, the Society Site's URL to access the society journal. The contents of the Society Home-Page will not be accessible via the ScienceDirect Home-Page ([www.sciencedirect.com](http://www.sciencedirect.com)) nor via any other Society Member Site which you may have subscribed to. Society Sites are supported on a separate platform to ScienceDirect.

Please go to the Society Member's Site and enter your new username and password in the upper-right hand corner of the Homepage: [www.sciencedirect.com/ag](http://www.sciencedirect.com/ag)

**STEP 2B - New Users to ScienceDirect:** If you do not have an existing profile and are a new user to ScienceDirect, you can continue to the registration screen that will allow you to create a new user profile. You will be asked to fill out a form and choose a password. A unique username will then be assigned. It is important to note, that all user-names and passwords to ScienceDirect are case sensitive. After registration you can directly login to the Society Site with your username and password.

*Please Note - Do NOT use special characters, such as ö, ä, æ when entering your personal details into the profile form.*

Please go to the Society Member's Site and enter your new username and password in the upper-right hand corner of the Homepage: [www.sciencedirect.com/ag](http://www.sciencedirect.com/ag)

If you encounter any problems registering, please note that older browsers may not support SSL encryption, which is required for secure data transmission. Also, cookies must be enabled in your browser to support the registration process.

Society access to this journal on ScienceDirect is available from articles published from 1995 and onwards. Please also note, the Society Site is not entitled to the SciVerse Platform nor does it carry any of its functionalities .

**Should you require any assistance, please do not hesitate to contact the closest Customer Support department as follows. Please mention the title of the journal you are trying to access, the URL of the site and the name of your society in your communication.**
